### ***History Alive at Fort Piqua***

Come experience Living History at its finest! More than sixty of the very best, carefully selected, reenactors will gather at the Johnston Farm & Indian Agency to present an historical timeline of the years 1748 (Pickawillany) – 1862 (Camp Piqua). These years mark the period of the greatest historical significance for this land. The events that took place and the people involved all had great impacts on the course of both America and Ohio's history. A wide variety of camps, civilian and military demonstrations, and numerous activities will take visitors back to some of the most exciting times this place has ever seen. A Friday evening lantern tour of the camps will give visitors a different look at life during these times. The Johnston Home, the Indian and Canal Museum, and the canal boat *General Harrison of Piqua* all will help visitors visualize a time long past. This is truly a don't miss event.
